

# Cannabis Health Fair

## Sat., Sept. 12, 2009

10:30 am to 4:00 pm

University of Colorado, Boulder, CO  
Eaton Humanities Building

*Just north of the Norlin Quadrangle and  
south of Macky Auditorium*

The Cannabis Health Fair is a free full-day patient outreach event designed to answer all your questions about cannabis as medicine and how to become a legal patient in Colorado. In addition to speakers, there will be information tables and displays from medical cannabis dispensaries and other hemp and cannabis-related businesses. Patients, caregivers, advocates, medical professionals, legal professionals, government officials, and law enforcement officers are encouraged to attend.

*The event is free and open to the public.*

### Speakers and Topics:

- **Rob Corry, Esq.:** Medical cannabis attorney - Won first Colorado medical cannabis jury trial
- **Dr. Robert Melamede:** Biology professor and cannabinoid expert (Cannabis Science, Inc.)
- **Dr. Jade E. Dillon, M.D.:** Experienced with the Medical Marijuana Registry process
- **Jason Lauve:** Medical cannabis patient - First medical defendant acquitted by a Colorado jury
- **Timothy Tipton:** Patient advocate (Rocky Mountain Caregivers' Cooperative)
- **Erin Marcove:** Cannabis therapist
- **Meet Your Cannabis Professionals:** Dispensaries & sponsors introduce themselves.
